- This is the book of the genealogy of Adam. In the day that God created man, He made him in the likeness of God. ² He created them male and female, and blessed them and called them Mankind in the day they were created. ³ And Adam lived one hundred and thirty years, and begot *a son* in his own likeness, after his image, and named him Seth. ⁴ After he begot Seth, the days of Adam were eight hundred years; and he had sons and daughters. ⁵ So all the days that Adam lived were nine hundred and thirty years; and he died.
- ⁶ Seth lived one hundred and five years, and begot Enosh. ⁷ After he begot Enosh, Seth lived eight hundred and seven years, and had sons and daughters. ⁸ So all the days of Seth were nine hundred and twelve years; and he died.
- ⁹ Enosh lived ninety years, and begot Cainan. ¹⁰ After he begot Cainan, Enosh lived eight hundred and fifteen years, and had sons and daughters. ¹¹ So all the days of Enosh were nine hundred and five years; and he died.

God creates male and female - Tony Pearce

In this passage which we have read, it affirms God as the Creator. It also says that God created them male and female. That's God's created order. And it's interesting that as we look at our present world, we're going against that.

It's rather distressing to read that the first act of the Biden administration is to bring in new laws on transgender, and to push the whole transgender agenda which is anti-God and antichrist, and which is another way in which it is taking the nations further and further into rebellion against God and His created order – and will bring judgment upon the nations, upon America. And I think there are so many things which we see happening in our world today which are – because we're going against God's order, God's creation – so we see confusion distress and ultimately the judgment of God coming upon the world as we know it.

But it says here that God created them male and female, that was how He created them, that's how we're made. We're made either men or women, male or female, and we can't change that. It's part of God's order. And the Bible also affirms that God is the Creator, not just in **Genesis**, but right the way through from **Genesis** through to **Revelation**, you'll find passages which affirm that God created the heavens and the earth, that everything that exists comes through the will of God. And that also shows us that because God made the world, He's able to intervene in His world, and right through the Bible we see that there are major interventions of God in history. In the creation itself, in the Flood, the **Exodus**, and the giving of the Law; and supremely, in the coming of the Messiah Jesus, His death, His resurrection, and His soon second coming which will be another major intervention of God in the affairs of this human race. And so, because God made the world, He's able to intervene in the world which He made. And He does. All the time.

He does it in ways: through answer to prayer, but sometimes in history there are major interventions, and I believe one of them is on its way in the second coming of Jesus the Messiah.
